

## Work Health and Safety Policy

**DomeShelter Australia Pty Ltd designs and manufactures tough and innovative Shelter solutions. As an industry leader, we are strategically focused on the Mining, Industrial and Agriculture sectors, delivering trusted and well-proven quality.**

**We see people as our greatest asset in business and our mission is to protect the Health & Safety of our people and provide a safe and healthy place of work.**

We will achieve our objective through teamwork at all levels and will ensure that it is communicated and understood.

DomeShelter Australia commits to:

- taking all reasonable steps to prevent the exposure of our workers, contractors and the community to risks and hazards associated with our activities;
- setting targets and objectives and providing appropriate resources to manage implement and control activities to continually improve Health and Safety;
- ensuring managers, employees and other stakeholders are aware of their accountabilities and responsibilities as defined within the WHS Management System;
- complying with all relevant Work Health and Safety legislation and applicable codes of practice;
- conducting regular management reviews to measure and monitor WHS performance for a continual improvement of the WHS program and performance

This WHS Policy along with our WHS targets & objectives is reviewed annually. Any improvements identified from the review will be included in the WHS Policy to increase effectiveness to ensure continual improvement.

The WHS Manager is authorised to ensure that the requirements of this WHS Policy and the System are implemented. Any problems that cannot be resolved between departments or personnel shall be brought to my attention for final resolution.
